

# Thank You

DEAR GOD:

I want to thank You for what you have already done. I am not going to wait until I see results or receive rewards; I am thanking you right now. I am not going to wait until I feel better or things look better; I am thanking you right now. I am not going to wait until people say they are sorry or until they stop talking about me; I am thanking you right now... I am not going to wait until the pain in my body disappears; I am thanking you right now. I am not going to wait until my financial situation improves; I am going to thank you right now. I am not going to wait until the children are asleep and the house is quiet; I am going to thank you right now. I am not going to wait until I get promoted at work or until I get the job; I am going to thank you right now. I am not going to wait until I understand every experience in my life that has caused me pain or grief; I am thanking you right now. I am not going to wait until the journey gets easier or the challenges are removed;

*I am thanking you right now. I am thanking you because I am alive. I am thanking you because I made it through the day's difficulties. I am thanking you because I have walked around the obstacles.*

I am thanking you because I have the ability and the opportunity to do more and do better.

**I'm thanking you because FATHER, YOU haven't given up on me.**

*God is just so good, and he's good all the time. Send this message to 8 friends, not to the friend who sent it to you and continue to THANK HIM.*

**Have a blessed day.**

**"A true friend is someone who reaches out for your hand and touches your Heart."**
