

## Why Do Woman Cry

A little boy asked his mother, " Why are you crying?" " Because, I'm a woman," She told him.

"I don't understand, " he said . His mom just hugged him and said, "And you never will."

Later, the little boy asked his father, " Why does mother seem to cry for no reason?"

All his dad could say was, "All women cry for no reason."

Finally, he put in a call to God. When God got on the phone, he asked, "God, why do women cry so easily?"

God said:

"When I made woman she had to be special. I made her shoulders strong enough to carry the weight of the world, yet gentle enough to give comfort.

I gave her an inner strength to endure childbirth and the rejection that many times comes from her children.

I gave her a hardness that allows her to keep going when everyone else gives up and the stamina to take care of her family through sickness and fatigue without complaining.

I gave her the sensitivity to love her children under any and all circumstances, especially when her child has hurt her.

I gave her strength to carry her husband through his faults and fashioned her from his rib to protect his heart.

I gave her wisdom to know that a good husband never hurts his wife, but sometimes tests her strengths and her resolve to stand beside him unfalteringly.

And finally, I gave her a tear to shed. This is hers exclusively to use whenever it is needed."

" You see my son," God said , "The beauty of a woman is not in the clothes she wears, the figure that she carries, or the way she combs her hair.

The beauty of a woman must be seen in her eyes because that is the doorway to her heart. The place where love resides."
